Galatians 3:23-29

READ

Galatians 3:23-29

QUESTIONS for REFLECTION

1. What was the situation “before faith came” (v. 23)? What role did the Law fill? What was life like?
2. How was the Law “our tutor” (v. 24)? What is a tutor (check a commentary or study Bible if needed)? Who needs a tutor?
3. When is a tutor no longer needed? How does that relate to the Law (v. 25)?
4. When did faith come or when was it revealed?
5. What does faith do that the Law could not do?
 - v. 24
 - v. 25
 - v. 26
 - v. 28
 - v. 29
6. What happens concurrently with/in baptism (v. 27)?

What does Isaiah 61:10 suggest about this (c.f., Isaiah 64:6)?

7. What is v. 28 saying? What is it *not* saying?

8. If Christ alone is *the* seed, *the* son and *the* heir of Abraham (v. 16), where does that leave us when it comes to the promise? (How are vv. 26 & 29 true for us today?)
