## READ

Acts 7:2-4a

Genesis 11:24-30

## QUESTIONS for REFLECTION

1. When & where did Abraham first receive his call from God (Acts 7:2)? (Why does this passage from the NT make sense to the storyline?)
2. What are the stipulations of his call (Acts 7:3)? What do they represent (why are they so important for what is to follow)?

(2)

(3)

Meditate on the phrase “I will show you.” What is God saying to Abram in these four words?

3. Reflect on Abram’s response to his call (Acts 7:4a). How does he begin and how does he go off the rails?

4. What, or rather who, may be part of the problem (Genesis 11:31)? (Reflect on how this situation may have come about.)

How are other people helpful in our journey/progress of faith?

How can other people be detrimental to our journey/progress in faith?

5. Is the time spent in Haran truly Abram's "wasted years" as some describe it? What is, or is not, happening during this time?

6. What factor does Abram's age play in this call from God? What is the greater determining factor?
