

# APOCALYPSE NOW XXXIII

February 1, 2026

**READ:** Revelation 16:12-21

## QUESTIONS FOR REFLECTION

1. The sixth bowl of God's wrath is poured out to what end (v. 12)?
2. Who are the three key antichrist instigators (v. 13)? What do we already know about them (cf. 12:9; 13:1; 13:11)?
3. What threefold influence do they exert (vv. 13-14; 13:14; cf. 2 Thessalonians 2:9-10)?

Who is their specific target? Why (cf. v. 12)? (What are they up to?)

4. Who is *really* in charge here (vv. 14b, 16)? Why? (What is suggested by the name "Har-Magedon"?)
5. What is the unholy trinity actually helping to set up (v. 15a)?

6. What is the Lord's purpose in the beatitude of v. 15b?

What is to be our appropriate response (cf. 1 Thessalonians 5:2-11)? (Why?)

7. The outpouring of the final bowl of wrath is accompanied by a loud voice from the throne in the temple in heaven (v. 17). What might be significant about the declaration, "It is done" (cf. 15:1)? (What does this mean for those who dwell on the earth?)

8. How is the severity of this plague expressed and what does it mean to the earth (vv. 18-21)?
