QUESTIONS FOR REFLECTION

1. What is suggested by the angel's directive to the Apostle John in v. 10 (cf. Daniel 12:4,9)?

What does it mean that "the time is near" (cf. v. 12a)?

2. What do you make of the puzzling statement in v. 11? What do we know John is not saying (cf. Romans 6:1-2)? What does it say about man's spiritual inclination or bent?

Man falls into what two groups? What marks the difference between the two groups?

3. What can each group expect when the Lord comes (v. 12)? What will be rendered to each?

What is the correlation between judgment & rewards (cf. 20:12)?

4. To whom is the blessing of v. 14a given? Who needs to "wash their robes" (cf. v. 11a)?

Describe the hope this offers.

Describe what this personally means to/for you.

What outcome is made possible (v. 14b)? How does this reverse the consequences of sin in the Garden of Eden (cf. Genesis 3:22-24)?
